STINGRAY CITY LONG BAY DEVIL'S BRIDGE

BEST
VALUE
135 USD

Experience three of Antigua's highlights in one tour. Meet, touch and feed southern stingrays in their natural habitat — no swimming experience required.

Continue to Devil's Bridge, one of Antigua's most iconic natural landmarks, where the Atlantic Ocean has carved a spectacular limestone arch into the coastline.

Then relax at Long Bay Beach, famous for its soft white sand and beautiful turquoise water. Swim, snorkel or simply enjoy some Caribbean beach time.

Includes our exclusive Personalized Stingray Certificate with holographic authenticity sticker, available only on our tours.

Round-trip cruise port transportation, SPF 50+ rash guard & drinks included.

Water included.

Recommended by the newspaper **Times U.K.** as one of the 5 good reasons to visit Antigua.

In **Stingray City**, the city of stingrays, you can pet, photograph and feed these peaceful animals. We have the authorization to enter the water with you to assist you and **take photos**. They are not caged or captive, but free in their **natural habitat**. There's no need to worry: **you don't need to know how to swim** because in this natural shoal in the middle of the sea you reach a depth of **less than 5 feet**. We will then continue towards the **Devil's Bridge**, a natural bridge carved into the rock. Then we will relax on the **beautiful Long Bay beach**, where it will also be possible **to snorkel**. We will have **lunch in a typical restaurant**, tasting local cuisine. After lunch we will have the opportunity to visit **Betty's Hope**: we will discover the history of the windmills that were used in the sugar cane plantations

Water included.
